Discover the real Tanzania!

Ask a first-time traveller to Africa what they are looking forward to seeing most and they will probably reply, "the wildlife". Ask them, on their return home, what the best bit of their trip was and they will more-than-likely say, "the people".

Tanzanians are among the most welcoming and approachable people on earth. With a wide variety of fascinating cultures to discover, and along with the phenomenal wildlife, it is likely to be one of the most rewarding experiences of your life.
